A convenient and structured plan, tailored to your pet's health.

Unlike insurance, which covers accident and illness, a Pet Health Club plan covers the expected routine treatments your pet needs throughout the year. Pet Health Club plans renew automatically every year. You can cancel at any time but if you are part way through a plan year and have received more than has been paid in (for that plan year), you will need to pay the difference.

To make it simple and as easy for you to manage, we will schedule routine visits and send you reminders*, so you never have to worry about missing a vet appointment again. And when the appointment is done, there's nothing to pay on the day - it's all covered under your plan!*

Complete the membership form now and take it to Reception at your vet practice.

*Subject to Practice Management System capabilities and client consent.

*Exceptions outside your plan such as additional treatments will be advised and agreed in advance. You will need to pay separately for these.

You means the holder of the Plan who has signed the application form and who is named as the primary contact for the Plan in our records

Your Pet means the animal named on the application form as beneficiary of the Plan

Plan means the pet health plan offered by Your Veterinary Practice that covers specified treatment required to maintain Your Pet's health

Plan Year means an iterative cycle of twelve consecutive months starting from the beginning of the Contract and any 12 month period thereafter

Your **Monthly Plan Fee** is the monthly amount charged by Your Veterinary Practice to cover the cost of the treatment provided to Your Pet under the terms of this Contract

An **Approved Practice** is a practice owned by Independent Vet Care Ltd

2. Treatment to which Your Pet is entitled

The Contract entitles Your Pet to receive the routine and preventive treatment required to maintain Your Pet's health as prescribed by Your Veterinary Practice. This includes twice-yearly health assessments, routine vaccinations and regular control of parasites. A full list of inclusions are available from Your Veterinary Practice, which may include any references to discounts on other items of treatment and retail goods. These terms and conditions should be read in conjunction with Your Veterinary Practice's specific Plan details.

3. Treatment to which Your Pet is not entitled

This Contract is limited to the provision of routine preventive health care and only entitles your pet to the treatment required to monitor its health, as specified by your practice. There is no insured benefit under The Contract, and this Contract is not a substitute for pet insurance. The Contract does not entitle Your Pet to:

- The cost of consultations that may or may not precede clinical treatment
- Any treatment that is deemed clinically necessary by Your Veterinary Practice in the event of illness (short-term or long-term) and injury
- Any drugs or general health improvers (such as vitamins or 'nutraceuticals') which are not clinically necessary in the opinion of Your Veterinary Practice
- The cost of food, including prescription and special dietary food
- Treatment provided by Your Veterinary Practice outside of normal surgery hours and/or outside of the surgery, including home visits
- Any treatment that continues after the Contract has been cancelled

4. Treatment of other animals

The Contract is for Your Pet named on the Application Form and is not transferable between animals.

5. Treatment at another surgery

Your Contract is between You and Independent Vet Care Ltd as the owners of Your Veterinary Practice. Your plan can only be transferred to an Approved Practice that is owned by Independent Vet Care Ltd but cannot be transferred to another practice outside of the Independent Vet Care Ltd Group. Where you choose for your pet to have routine preventive treatment anywhere other than an Approved Practice, Your Pet will not be covered by this Contract. If you wish to transfer Your Contract to another Approved Practice, please ask Your Veterinary Practice for details.

6. Monthly Plan Fee

Your monthly plan fee will be determined by your pets species. Your Veterinary Practice reserve the right to make changes to the plan and monthly fee with no less than 4 weeks' notice.

7. Payment of fees

Your Contract is a monthly contract and will continue from month to month until it is ended by either You or Your Veterinary Practice. You must pay the monthly fee by Direct Debit in favour of The Animal Healthcare Company as collecting agent for Your Veterinary Practice. Any other amounts due to Your Veterinary Practice for treatment not covered by this Contract are payable directly to Your Veterinary Practice. Your liability to pay the monthly fee continues until the Contract is ended in accordance with these terms and conditions (see section 10). No refund of fees will be allowed except in the case of administrative error or death of Your Pet or client.

8. Alteration of Monthly Plan Fee

Your Veterinary Practice will normally review Your Pet's Monthly Plan Fee once a year and Your Monthly Plan Fee may change as a result. You will be given at least 4 weeks' notice of any changes to your monthly fee and any notice sent to the payer's email address (if provided) or last known postal address will be treated as adequate notice.

9. Direct Debit Changes

Following a decrease in your monthly fee, your Monthly Plan Fee will be changed at the next available Direct Debit collection date. Where You are given notice of an increase in your monthly fee, your Monthly Plan Fee will be increased at the end of the notice period. If You need to change your bank details or Direct Debit collection date, please contact your veterinary practice at least 10 working days before the next collection is due.

10. Your Responsibilities

You are responsible for ensuring Your Pet attends Your Veterinary Practice regularly for health checks, vaccinations and parasite control and that You comply with the advice and treatment Your Veterinary Practice prescribes. If in the reasonable opinion of Your Veterinary Practice, they are not able to maintain Your Pet's health due to any act or omission on your part, your practice may end the Contract with immediate effect.

11. Ending the Contract

You may cancel the Contract by giving no less than one calendar months' notice in writing to Your Veterinary Practice or The Animal Healthcare Company expiring on the last payment date. If you cancel at any time other than on an anniversary of joining the plan, your practice may charge you either the outstanding amount for treatment received, or the monthly payments due until the anniversary of your plan, whichever is lower.

Your Veterinary Practice may end your Contract for any reason by giving You not less than one months' notice and notice given will be deemed valid if sent to the payer's last known postal address.

If in the reasonable opinion of Your Veterinary Practice, they are not able to maintain Your Pet's health due to any act or omission on your part, your practice may end the Contract with immediate effect. Your Practice may also end this Contract if in our reasonable opinion You, and or any person who brings Your Pet to Your Veterinary Practice in relation to Your Pet's care, are aggressive and/or abusive to any of Your Veterinary Practice's staff.

12. Non-payment

If The Animal Healthcare Company is unable to collect your monthly plan fee, they will inform You in writing and attempt to collect the fee from your bank account within 10 days. Your Pet's entitlement to treatment under this plan will be suspended during this time and will only recommence once cleared funds have been received by Your Veterinary Practice. Your Contract will be terminated on the third consecutive attempt to collect payment. If You wish to reinstate the plan following termination, The Animal Healthcare Company will contact Your Veterinary Practice for prior consent. Any request to reinstate the plan after three months will be subject to a new assessment and joining fee.

The Animal Healthcare Company will charge an administration fee of £10 if any of your Direct Debit payments are returned by your bank as unpaid.

13. Refunds

If your monthly payment is refunded by The Animal Healthcare Company for whatever reason, the plan will be subject to the conditions of Non-Payment (see Section 11) for those months that have been refunded.

14. Variation of these terms and conditions

The terms and conditions of your Contract may be varied by Your Veterinary Practice or by The Animal Healthcare Company on Your Veterinary Practice's behalf. You will be given at least one month's written notice of any changes. Details of the variation will be sent to the Plan Fee payer's last known postal address.

If you don't want to accept the changes you have the right to cancel – in line with Condition 11. You will not have to pay any more than one month's Plan Fee if you are cancelling because of the variations to the terms. You will be deemed to have accepted the variations after the one month's notice period expires if you have not cancelled the Plan.

15. Liabilities

The Animal Healthcare Company administers Your Pet's Plan on behalf of Your Veterinary Practice. The Contract is not with The Animal Health Care Company, and The Animal Healthcare Company has no liability to You whether in respect of tort (including negligence), breach of contract, defective or unsatisfactory treatment in connection with any Plan it administers on behalf of Your Veterinary Practice. This does not affect any right or remedy You may have against Your Veterinary Practice.

The Animal Healthcare Company has no obligation to pay to Your Veterinary Practice any fees not received by us from You, or any monies owed to You by Your Veterinary Practice.

Your personal data may also be shared with persons who provide administrative services to The Animal Healthcare Company, including companies operating outside of the United Kingdom and the European Economic Area (EEA), and to persons engaged in fraud detection and prevention.
